The FWEA Executive Board and the Rep Assembly is still accepting donations for the Razi Family. All donations should be given to your building rep or dropped off at the FWEA office by December 17. Wrapped gifts and a gift card will

be delivered to the family December 19. Thank you for your donations to help a family in need.

FWEA is still collecting toiletries for Mental Health America in providing needed items for 500 Christmas stockings for the chronically, mentally ill. Please give your donations to your building rep of deodorant, toothpaste, tooth brushes, soap, shaving supplies, shampoo and other toiletries; socks, hats, and gloves in adult sizes are also needed. Your rep will bring them to the December 17 Christmas Rep meeting. Thanks to FWEA, these individuals will have a brighter holiday!
